John M Report

John discussed the following items:

- Pleased with the band's performance at the Village of West Clay and with the performance of the sound equipment.
- No hurry on updating the sound system because we can borrow from the New Horizon Band on an interim basis.
- Would like help with setting up the sound system and levels for future concerts.
- Ben Davis has had to postpone most Fall concerts and Pike High School is also not an option at this time so there will be no September concert.

New Business

- The Board asked Jerry to coordinate with a photographer for the concert at the Indiana State Museum.
- Need a PR person.
